

Vascular Access: Dilators & Sheaths

We have a legacy of innovation in vascular access devices including dilators and sheaths

Our vertically integrated technologies allow us to be a full-service contract manufacturer of components and assemblies. Our custom dilator and sheath technologies include custom designs in sizes 8Fr – 26Fr.

Sheaths

- HDPE
- Pebax
- FEP
- Reinforced

Dilators

- LDPE
- HDPE
- Pebax

Radiopaque Fillers

- Barium Sulfate

Assembly Technologies

- Marker bands
- Laser marking
- Tip and Flaring
- Butt-Bonding: Multi Durometer
- Over-molding
- OD Grinding
- Tip/Profile Grinding
